Handwritten notes on a whiteboard showing a sequence of five boxes, each containing a different pattern of dots. Above the boxes are two curved arrows pointing from the first box to the second, and from the second box to the third. The boxes contain the following patterns of dots:

- Box 1: 10 dots arranged in two rows of five.
- Box 2: 10 dots arranged in two rows of five, with some dots crossed out.
- Box 3: 10 dots arranged in two rows of five, with some dots crossed out.
- Box 4: 10 dots arranged in two rows of five, with some dots crossed out.
- Box 5: 10 dots arranged in two rows of five, with some dots crossed out.

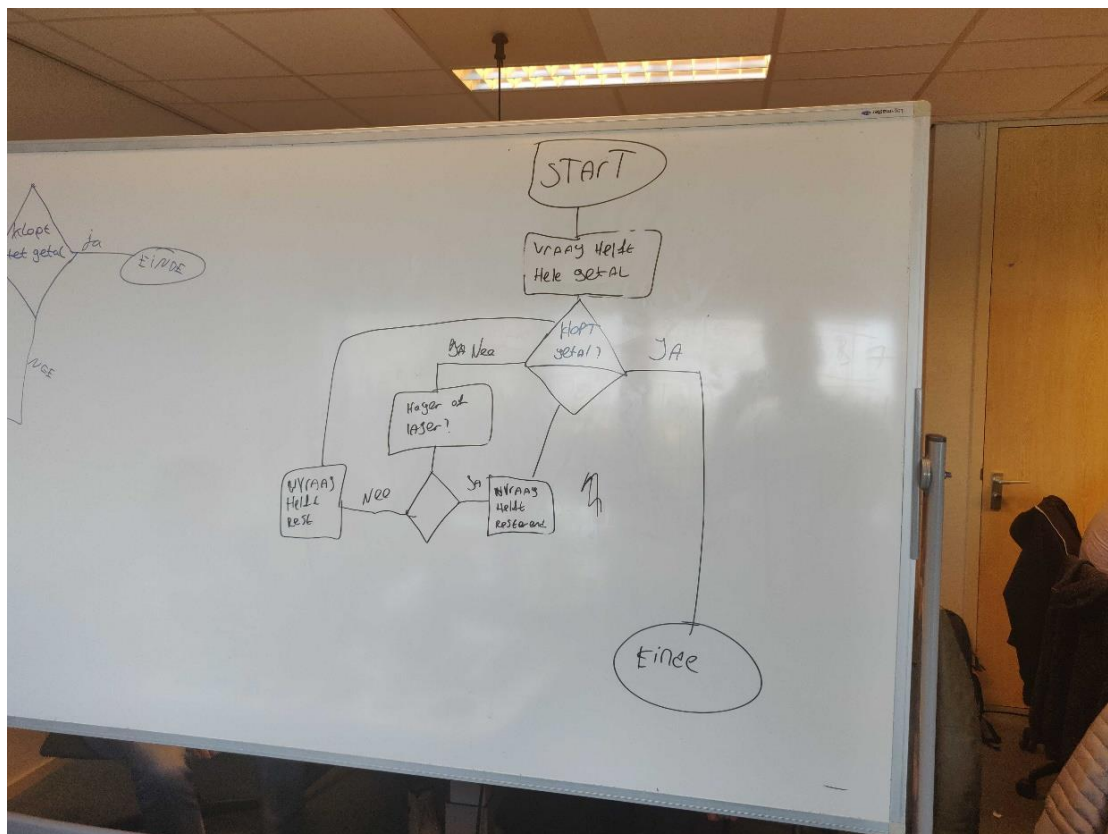

Below the boxes is a large grid of numbers. The grid is 6 rows by 6 columns. The numbers are handwritten and some are crossed out or modified. The grid is as follows:

1	0	1	0	0	20
1	1	0	0	1	23
0	1	0	0	1	7
0	1	0	0	0	8
0	1	0	0	1	9
